Dieci Base

Hardware

- Dieci offers locks and Grommets in standard black, chrome, satin nickel, and antique brass.
- If hardware finish is not specified at time of order, black will be provided.
- Locks are standard on all pedestals. Locks are available on other items as noted.
- Individual "tagged" offices will ship keyed alike unless otherwise specified.
- If location is not specified, grommets will be located on desks 9 ½" from the left or right edge and centered on bridges and returns directly inside the modesty panel. On five sided corner worksurfaces, grommets are located 2" center from the rear corner.
- 1 ½" black adjustable glides are included on all units.
